

Maeroa Intermediate Enrolments 2022 - COVID Update

We were really disappointed that our open night was cancelled as our students were all ready to welcome you. Once we are back in Level 2 we will happily show you around our school through some organized school tours or by appointment - watch this space for updates.

Enrolment Forms - Pick Up

We have enrolment packs ready to pick up from Maeroa Intermediate School tomorrow **Thursday 2 September and Friday 3 September**. It will be a drive through contactless pick up **between 10.30 and 2.30** - just drive in onto our netball courts - follow the cones and we will have a pack for you. Please remember to use appropriate hygiene measures - masks and distancing.

The other option is to email office@maeroa.school with your name and postal address and we will post an enrolment form to you - this is not a preferred option due to delays in the current postal system however if you are prepared to wait for the post, you can.

Completed Forms

You can drop your completed forms as follows;

- Level 3 at the front gate of Maeroa Intermediate School - you will see the drop off box between 8.30 and 2.30
- Level 2 - you can return to Frankton, Aberdeen, Nawton, Forest Lake, Vardon or Pukete or Maeroa

If you need to email the school with any documents including immunization and proof of address please make sure that you included your child's full name in the topic heading of the sentence to help with the admin on our end.

Enrolments are not first come first served - **all enrolments are valid before the 28th September**.

Deadlines

All enrolments are due back to Maeroa **before Tuesday 28th September**, we will have the ballot on Friday 1 October and confirm enrolments over the October school break.

Please phone the school 847 5014 if you have any questions and we are happy to help.

Take Care

Susan Wood - Principal

Charles Hume - Deputy Principal

Amanda Taylor - Deputy Principal
